

About Us

THRIVE COUNSELING

Thrive Counseling started with a vision to serve our community with quality counseling to combat poor mental health and substance use. Thrive is a partnership, owned and operated by Andrea DeJacimo and Angel Pixley. We thrive to help our clients push through and help them become mentally fit. Our mission is to help those we serve reach their full potential in life by significantly improving their mental health and well-being through counseling, education, and support.

Our Team

We have a group of highly motivated and educated counselors and professionals to aid you in whatever form of treatment you may need. We believe in our team and their capabilities to be your guide through life.

You can depend on us!

THRIVE Cares

EMDR—Trauma Therapy

Thrive Counseling is now offering EMDR services. **Eye Movement Desensitization and Reprocessing (EMDR) therapy** is an interactive psychotherapy technique used to relieve psychological stress. It is an effective treatment for trauma and post-traumatic stress disorder (PTSD).

Mental Health Services

Thrive Counseling program is designed to provide services for people with or who are at risk for psychiatric disabilities/disorders or have other mental health needs.

Intensive Outpatient Services –IOP

Thrive Counseling's Intensive Outpatient Treatment Program is clearly identified as a separate and distinct program that provides substance use disorder counseling and education.

Substance Disorders

Thrive Counseling's program is designed to provide services for persons who have or are at risk of having harmful involvement with alcohol or other drugs/addictions.
